

Checking Media Size in Ticket 2000

- 1/ Open your label in Ticket
- 2/ Right click in the grey area off the label. (make sure that no fields are selected)
- 3/ You should see this.

- 4/ Select "open attached Media
- 5/ You will see this.

Check that the Page Width and Length match your label size.
If not change it and click OK.

Try and print your labels again.
